---

Hello Hil, I just wanted to say thank you for the great time we had the other weekend. We all enjoyed it thoroughly and were overwhelmed by the level of interest that people showed in the Online Museum. Graham and I even managed to get our pictures in the ODT! I'm looking forward to making it back up your way again sometime soon.

In the meantime, I have finally found the time to sort out my petrol expenses, the details of which are attached below. Thank you very much for paying for everything, it's very generous and much appreciated.

All the best for Christmas and the New Year,

Nigel.
